

ANNOUNCING Emerson Exchange Immerse

October 3-5, 2023
Anaheim Convention Center, CA

Immerse is an Emerson Exchange conference with an in-depth exploration into Emerson's control systems and software solutions, including DeltaV™, Ovation™, AMS, and AspenTech™. This conference is a one-of-a-kind opportunity that brings together leaders and experts from across the process automation industry for learning, sharing, and networking. Together, you'll discover new ideas, review best practices, and gain additional expertise to help you maximize assets and increase profitability.

VIEW THE AGENDA ▶

Emerson Exchange offers a unique opportunity for automation professionals to engage with their peers, broaden their knowledge base and gain valuable insight from industry leaders on the latest tips and tricks, implementation successes and proven project solutions being used throughout process automation.

More than 200 sessions are planned this year, covering a wide range of solution- and technology-specific topics. Whether you're looking to improve energy efficiency, meet new regulatory requirements, increase yields, boost reliability, or simply improve your facility's bottom line and green sustainability, there's an array of pertinent sessions from which to choose.

Registration Opens July 7

Early Bird Registration (July 7-August 31) ————— **\$1450**

Regular Registration (September 1-October 5) ————— **\$1950**
